

Introducing Co.act Detroit's Convening Spaces

Co.act Detroit is committed to collaborative action, and we have a multi-dimensional convening facility that supports it! Our space is designed to bring people together in a comfortable, flexible setting that inspires people to interact, build community and move missions forward.

COLLABORATIVE MEETING ENVIRONMENTS

Flexible Meeting Area | The Gathering Space

The Gathering Space is designed for flexible, interactive sessions. Movable tables and chairs can be arranged to support a seating capacity up to 45 people, while lecture-style seating can support groups up to 80 people. The space is equipped with two 108" motorized projection screens accompanied by two Epson PowerLite Pro G7500, 6,500 lumen projectors and an integral audio system supported by wireless microphones.

Open Meeting Room | The Communal Table

The Communal Table is an open space anchored by a 32 foot-long, custom walnut table with seating capacity for up to 22 people and integral power for user convenience. *The Communal Table* is equipped with a 108" motorized projection screen with a mounted Epson PowerLite Pro G7500, 6,500 lumen projector and an integral audio system.

MEETING ROOMS AND SUPPORT SPACES

Inspired by a former tenant of the Co.act space — famed Detroit confectioner, The Sanders Company — Co.act Detroit's roster of meeting spaces are named after delicacies from the 'Pavilion of Sweets,' in the spirit of continuing the legacy of bringing people together to build community and inspire conversation.

Large Conference Room | *The Pavilion*

The Pavilion is a conference room with seating capacity for 10 people, and is equipped with a 60" flat screen monitor, a polycom teleconference system and direct power and data outlets. The room also features its own climate control, a 32' white board wall and a credenza.

Medium Conference Room | *Peanut Butter Block*

Peanut Butter Block is a conference room with seating capacity for 8 people and is equipped with a 60" flat screen monitor, a polycom teleconference system, direct power and data outlets. The room also features a 10' long white board wall, credenza, natural daylight and views out to Woodward Avenue.

MEETING ROOMS AND SUPPORT SPACES continued

Small Meeting Room | *Bumpy Cake*

Bumpy Cake is a meeting space with a round table for 6 people, featuring natural daylight and views out to Woodward Avenue. All the walls in *Bumpy Cake* are white board accessible with direct access to power and data.

Breakout Room | *Sundae*

Sundae is a small breakout room with seating and side tables for two people. It supports private phone calls and conversation.
